FEES

2022 fees are as follows:

- Women \$425 per player
- Men \$425 per player

NB: We are trialling something new this season. Instead of paying the full amount upfront at registration time, players are required to pay \$250 before they are permitted to play their first game for the season.

Players are then required to pay \$10 per game to the manager of their team before taking the field at each game. This should ease the financial burden of needing to pay the full amount up-front, decrease the need for payment plans and also be fairer to those players who miss the odd game due to work commitments, illness or injury.

Players who are stepping up from Highfields FC Juniors to Seniors for the first time in 2022, receive a discount for their first season only. The fee for these players is \$250. These players are not required to pay the additional \$10 per game to the manager of their team.

Fees **DO NOT** include club shorts and socks (see below for Outfitting).

OUTFITTING

Thanks to the support of our generous sponsors, the Club provides a playing jersey and training shirt for each player. Players will get to keep these at the end of the season.

You will need to purchase club shorts and socks which are available through the Club.

You will also need shin pads and appropriate football boots (no metal tags). These can be purchased from any sports store.
